-- Continuing Data

This application is a continuation of PCT/JP03/05333 filed April 25, 2003. –

Applicant has cancelled claim 7 and amended claim 8 into independent form. Claim 13, likewise has been placed into independent form and independent claim 14 has been added. None of these claims are even rendered obvious by the prior art of record. Although a body of prior art contains numerous references that disclose applicators for applying silicone fluids to a substrate, see also DE 2165512, the Examiner was unable to locate an applicator that also was a source of colorant or the specified amount of scouring agent. Accordingly, claims 8-14 are allowable.

✓ Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled

✓ "Comments on Statement of Reasons for Allowance."
